4th October 2012

Mr Brent Smith  
Contract Manager  
Smiths Cranes & Construction

Dear Brent

Jacqui and I would like to thank you and your staff for completing the move of Ironside House off the old foundation then back on to the new piles. Moving a building of upwards of 200 tons is no easy task.

The project was completed within budget and we appreciated that you were able to preserve the rimu floor, look after the structure and features of the building to enable its reinstatement.

We would have no hesitation in recommending your company for projects of this nature.

If you have potential customers undertaking this type of project please feel free to provide them our contact details if they want any further information.

Kind regards

Barry Lee (Project Manager)

Jacqui Lee (Director)
